Work Experience

Real Estate Salesperson at Howard Hanna

November 2019 - Apr 2022

- Addressed client's concerns and questions about specific properties, or local contractors who could fix certain issues or for improvements, or even which banks offered the lowest interest rates

- Marketed myself using Facebook ads and open houses to attract potential clients every week which brought me around a quarter of my clients
- Wrote Comparative Market Analyses' and offers for property
- Utilized technologies such as Sentrilock (an app that assigns and unlocks lockboxes for storage of keys for the property), DJI's Osmo gimbal camera, and my iPhone to ensure I was efficiently using my time
- Handled north of $2 Million through purchases and sales of residential and commercial properties

Server at Outback Steakhouse
October 2016 - December 2020
- Received guest orders and accurately entered them into the POSitouch system
- Communicated customer requests proficiently to the chef
- Maintained an orderly and efficient workspace
- Balanced upwards of 6 tables of guests while I ensured their visit was memorable
